We are urgently looking for a few more folk who would be willing to learn the basics of operating the sound system. At present we only have 3 operators on our rota and that is not enough to cope with our current requirements.

We have arranged training for 25 April and would love to provide dedicated time to help some new recruits to learn how to switch things on and operate at a basic level to begin with. Once confidence grows, then more in-depth training will be offered. Please speak to any of the sound team or Stephen if you feel that you could help with this vital ministry. Thank you.

STEP UP Fundraising Lunch

We plan to have a simple hot dogs and traybakes lunch following the service on Sunday 26th April to raise funds for the Methodist Church in Ireland's World Development and Relief **Step Up** campaign. This funding will help to support our mission partners around the globe.

Our donation to charities was reduced last year, mainly due to not being able to fit in as many fundraising opportunities due to other events occurring, so this is a simple way to enjoy some time chatting to others and donating to a very important cause. Please save the date and plan to attend.

FLOWERS

The flowers were provided today by John & Dorothy.

PRAYER

Prayer ministry is available today in the prayer space at the back of the church.

Thank you to all those who continue to support Shankill Food Bank. The food bank is low on items such as canned and long-life food and toiletries such as toothpaste, shampoo, shower gel soap and toilet rolls. Thank you.
